

PRODUCT WARRANTY

Any modifications of the Covered Products or use of third-party products with the Covered Products that are not authorized by EV Tech, Inc. will void this warranty.

For a warranty claim to be valid such claim must be reported to EV Tech, Inc. by the Ultimate User in writing during the Warranty Period and the Ultimate User must provide all information that may be necessary to assist EV Tech, Inc. in resolving the error, or sufficient information to enable EV Tech, Inc. to recreate the error. If the error or issue with the Covered Product occurs for the first time within the last fifteen (15) calendar days of the end of the Warranty Period such Warranty Period will be extended to fifteen (15) calendar days after the day the error first occurred.

If EV Tech, Inc. determines that it is unable to reproduce the error after reasonable diligence then EV Tech, Inc. will have no liability under this warranty.

This warranty is only applicable to the Ultimate User and is not transferrable.

To the fullest extent permitted by law this warranty does not cover incidental or consequential damages from the use of EV Tech, Inc. products or their defects such as labor, reinstallation costs or injury claims.

Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
